Exceptional Care for Every Stage of a Woman's Life

About Dr. Bennett Henderson

Dr. Bennett Henderson is a native Texan who completed her undergraduate degree in microbiology at the University of Texas at Austin. She then attended medical school at Texas Tech Health Sciences Center (TTHUSC) in Lubbock, Texas focusing on obstetrics and gynecology (OBGYN).

During her residency, Henderson was recognized as an "Outstanding Gynecological Surgeon" and served as the Administrative OBGYN Chief during her last year of residency. Dr. Henderson is a member of the American College of Obstetricians and Gynecologists and served as a Junior Fellow during her residency.

Dr. Henderson's clinical interests include family planning, women's health promotion and patient education.

As a mother Dr. Henderson knows the importance of compassionate and up-to-date prenatal care to pregnant women, by providing comprehensive gynecologic care at all stages of a woman's life.

Her proficiency in Spanish facilitates her communications with bilingual clients, and enables comprehensive explanation and comfort to her patients.
