Overview

Courtney H. Cowden, III, M.D., joined Covenant Medical Group in July of 2016 as a board-certified orthopaedic surgeon. Dr. Cowden received his medical degree from the University of Texas Southwestern Medical Center and completed his residency at the University of Missouri at Kansas City.

He completed his fellowship in sports medicine and also offers the latest in orthopaedic care for arthroscopy, degenerative joint disease, and fracture care of all ages.

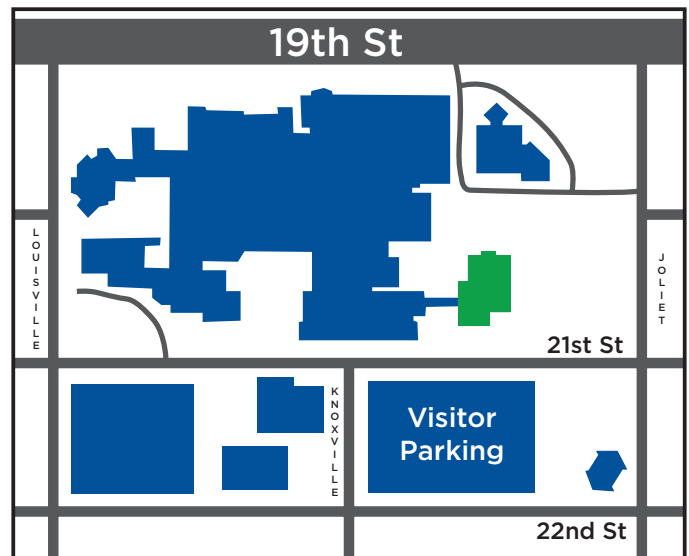

Native Texans, Dr. Cowden and his wife Susan were born and raised in Midland, Texas, and are proud to call West Texas their home. They are both highly active in their church as well as the Lubbock community.
